

1. To the light

Our little butterfly flies with the sun's rays. A long journey awaits him.

2. Journey

With each beat of its wings it spreads light and love.

3. Vision

Myriads of people are assembled on Peace Square. The white buffalo-calf-woman appears. She brings a gift. The Holy Peace-pipe. This is passed from hand to hand; white smoke arises.

4. Resting

The butterfly must first rest to collect strength for the homeward journey.

5. Wake up!

A soft voice awakens it; "Wake up little butterfly! Fly away home!"

6. Flying home
