

Healing sounds and colors by Petra Dobrovlny CDs for your well-being

While relaxing enjoy the harmonizing sounds from Petra's voice and natural (non-electronic) instruments in tune with the cosmic octave bringing new energy to

- your body by strengthening its self-healing power and the light of your cells.
- your soul by spreading peace.
- your mind by opening doors to new insights and ideas.
- your surrounding by cleansing the atmosphere and by neutralizing E-smog.

Ask your intuition to choose among Petra's CDs (samples on www.dolphinkissis.ch) or read the frequently asked questions below:
